*State the name(s) of the course(s) included in this document. The title of the course must accurately reflect the contents and outcomes of the course including the qualification awarded on successful completion of the course. The name of the course should meet the relevant standard for accreditation of courses.*

#### 1.2 Nominal Duration of the Course

*State the nominal duration of the course in hours. [The nominal duration of the course will indicate the number of hours of Off-the Job training at the STP. - If the length of the Off-the Job and/or On-the Job training is more than the recommended minimum, there must be adequate justification. Very strong justification is required if the nominal duration of the course is more than 20% of the recommended minimum. However, the nominal duration of the course should not be more than 25% of the recommended minimum.*
